

RAIMOL DEG WS

Water Soluble Degreaser

Product Description

RAIMOL DEG WS is a multi-purpose, water soluble liquid cleaner/degreaser formulated with a balanced blend of ionic and non-ionic detergents, wetting agents, and water softeners for effective cleaning performance.

Application

- As a general purpose cleaner/ degreaser in industrial plants.
- As a degreaser in motor pools and motor shops.
- Can be used as a cleaning agent in the metal industry.
- For bottle washing in distilleries and bottling plants.

Directions for Use

-May be diluted with water from 1:1 – 1:5 to as much as 1:20 depending on the application. Use brush or sponge to scour stubborn grease and grime, then flush off with water.

Advantages

- Economical because of high dilution ratio.
- High foaming, and lifts dirt easily
- Biodegradable formula.
- Versatile – has many uses.
