

RAIMOL LUBRO 40 API CD

Diesel Engine Oil SAE 40 API CD

Product Description

LUBRO 40 is diesel engine oil especially designed for lubrication of medium and high speed trunk piston engines. It consists of premium quality, hydro cracked mineral base oils and additives for premium service performance.

Applications

-For highly rated, medium speed trunk piston marine engines, auxiliary marine engines, geared transmissions, oil lubricated stern tubes, deck machineries and other diesel engine applications requiring API CF-4/CF/CD/CC classifications.

Performance Features

- Excellent engine cleanliness, higher detergency.
- High oxidation resistance, longer oil life and greater resistance to oxidative thickening.
- Superior protection against piston deposits and ring sticking.
- Excellent water tolerance.
- Enhanced engine protection
- Effective protection from rust and corrosion

Physical and Chemical Properties

Physical State:	Liquid
Odour:	Mild
Color:	Minimum: Light 2.5 Maximum: Light 3.5
Flash Point:	220°C
Density (kg/li):	0.875
Water Solubility:	Insoluble
Pour Point °C:	-15
Viscosity @ 40:	Typical: 145.0 cst (centistokes)
Viscosity @ 100:	Typical: 14.5 cst (centistokes)

Health and Safety

This product does not pose a health or safety hazard when used in the recommended application and when proper industrial safety practices are observed. As with all industrial oils and lubricants, prolonged contact with skin should be avoided, especially with used oils. Wash skin with soap and water after contact. Take used oil to an authorized government accredited recycler. See LUBRO MSDS.

Packaging

- 18 liter container
- 200 liter drum.
