

RAIMOL LUBRO 15W40 API CF-4

Diesel Engine Oil API CF-4

Product Description

LUBRO 15W40 is fully formulated multigrade performance engine oil made from new technology high viscosity base oil and high performance additives designed for longer oil drain performance on heavy duty diesel and gasoline engines.

Applications

-For lubrication in all four-stroke diesel engines, heavy duty diesel and gasoline engines, road transport, barges, and construction industry units..

Performance Features

- Exceptional engine cleanliness, excellent detergency.
- High oxidation resistance and greater resistance to oxidative thickening for longer oil life.
- Superior protection against piston deposits and ring sticking.
- Maintains a High Viscosity Index that provides better engine protection at high temperature and low viscosity at normal temperature for fuel economy and for longer oil drain interval.
- Effective protection from rust and corrosion

Physical and Chemical Properties

Appearance:	Clear
Colour:	Minimum: Light 2.5 Maximum: Light 3.5
Odour:	Mild
Flash Point:	>212°C
Density (kg/li):	0.875
Solubility (Water):	Insoluble
Viscosity @40:	Typical: 106.0 cst (centistokes)

Health and Safety

This product does not pose a health or safety hazard when used in the recommended application and when proper industrial safety practices are observed. As with all industrial oils and lubricants, prolonged contact with skin should be avoided, especially with used oils. Wash skin with soap and water after contact. Take used oil to an authorized government accredited recycler. See LUBRO 15W40 MSDS.

Packaging

18 liter container and 200 liter drum.
